

The Man In The Glass

When you get what you want in your struggle for
self and the world makes you king for a day.

Just go to the mirror and look at yourself
and see what that man has to say.

For it isn't your father or mother or wife
whose judgment upon you must pass.

The fellow whose verdict counts most in your
life is the one staring back from the glass.

He's the fellow to please -never mind all the rest.

For he's with you clear to the end.

And you've passed your most dangerous,
difficult test if the man in the glass is your friend.

You may fool the whole world down the
pathways of years and get pats on the back as
you pass.

But your final reward will be heartache and tears
if you've cheated the man in the glass.

TIGER FOOTBALL

Champions do not become
champions when they win the
event, but in the hours, weeks,
months and years they spend
preparing for it.

The victorious performance itself
is merely the demonstration of
their championship character.

The 2009 7th and 8th Grade Football Camp will provide your child the opportunity to develop their fundamental football skills in a fun and competitive environment. My coaching staff will be providing individual instruction to all positions, and the campers will be taught the same techniques and skills as the varsity players. While attending the camp is not a requirement to participate in 7th or 8th grade football, I believe the camp is a great opportunity to further develop your child's football skills and begin the team building process.

Sincerely,
Head Coach
